

ARTIST-IN-THE-CLASSROOM GUIDELINES

ARTIST-IN-THE-CLASSROOM DESCRIPTION

Artist-in-the-Classroom grants provide funding for elementary schools in the Salt Lake City School District to support the placement of professional artists in the classroom during school hours. This residency program is designed to augment existing arts activities in the schools and should not be used for after-school programming.

If awarded, the Artist-in-the-Classroom grant will be \$2,000.

APPLICATION DEADLINE IS TUESDAY, APRIL 16, 2019, 5:00 P.M.

The City Arts Grants program is designed to provide financial support for arts programs and projects in Salt Lake City that merit public funding. There are five City Arts Grants categories, each with eligibility standards, guidelines, and review criteria. The Salt Lake City Arts Council Board places a priority on those programs that best reflect the Arts Council's mission.

City Arts Grants can support only those programs and projects which take place within Salt Lake City limits.

The City Arts Grants program is competitive and includes a rigorous application review process. A newly completed application must be submitted each year and **a grant award in one year does not guarantee an award for the following year**. The award of City Arts Grants is made at the sole discretion of the Salt Lake City Arts Council and the decision of the board is final.

ELIGIBILITY

In order to be eligible for Artist-in-the-Classroom funding, the applicant must:

- Be an elementary school in the Salt Lake City School District (including charter schools).

Additional Information:

- Grant funds may only be used for artists' fee and for the purchase of supplies related to the residency. Schools may negotiate with artists on the fee to be paid for services. A guideline for fees to be paid is a minimum of \$30 per hour.
- Schools cannot employ an artist or instructor currently employed by the district.
- Each school may only apply for one grant.
- The Artist-in-the-Classroom grant need not be matched by in-kind or cash funds. However, if the school wishes to extend the residency, they are welcome to find additional funds (from the school, PTA, or other sources) and should indicated these funds in the application.
- No portion of the grant funds can be assigned to indirect costs of the school.
- If an organization (not an individual artist) is engaged to provide services for this grant application, no portion of the grant funds can go toward overhead costs of that organization.

Schools must identify and meet with the artist prior to submitting an application. The artist must agree to the terms of the residency outlined in the application.

Upon approval of the grant application, schools and artists must work to complete an MOU and an Independent Contractor form. Both documents will be sent out with award notification letter. Additionally, all artists who work unsupervised with students must go through a background check before beginning the residency.

School's Responsibility:

- Select the artist;
- Plan the residency and manage activities during the residency in cooperation with the artist;
- Complete and submit all grant documents (application, grant agreement form, and evaluation report).

The Salt Lake City Arts Council administers the payments for the Artist-in-the-Classroom grant awards on behalf of the school. Awarded funds are paid directly to the artist, half at the beginning of the residency and half when the school has submitted the final evaluation report.

REVIEW PROCESS

The Grants Committee, comprised primarily of Salt Lake City Arts Council board members with knowledge of the arts community, educational system, and the community-at-large, meet regularly to review City Arts Grants applications. The Grants Committee includes new members each year.

Committee members review applications by grant category in advance of each meeting. Decisions for funding are based on comprehensive discussions on the merits of each application.

The Committee prioritizes the Arts Learning and Artist-in-the-Classroom grant categories and applications which demonstrate need. Also of high importance is the presentation of a balanced and detailed budget, description of the impact to the community, and strategy for broadening audience reach.
